

## BOXED WIRE - CARDBOARD WIRE PACKAGE

### BOXED WIRE vs conventional reels:

- saves transportation and storage costs
- lot of wire in compact package
- eliminates reel handling costs
- environmental friendly material
- easy to dispose after use
- easy to integrate in continuous wire handling processes
- wire can continue from a box to another without cutting it between the boxes
- less weight
- cover on the box keeps the wire clean of dust and other dirt particles
- no expensive wire pay-offs needed
